

What does it mean to be a Keep Kids Safe In Dance Child Safe Organisation?

Our studio owner has completed the Keep Kids Safe in Dance Child Safe Organisations Training.

We complete all of the necessary checks and follow robust HR procedures to ensure our staff and teachers are safe and the right fit for our school.

We have strong policies and codes of conduct that outline exactly how people should behave in our organisation that are reviewed and updated regularly.

We are compliant with all State and National Child Safe Guidelines and have procedures in place for responding to and reporting suspected child abuse.

We complete regular safety reviews of our school and the inherent risks associated with the dance industry.

We are committed to professional development and ensure we stay abreast of new research and development in all areas of dance and dance training.

We are committed to keeping our students mentally, physically and psychologically healthy. We provide an environment that is safe, supportive and nurturing.

We are committed to supporting the dance industry and producing the next generation of healthy and happy professional dancers and audiences.

We promote the participation and empowerment of young people in our care
